All trials will be run on the racecourse proper.

The racecourse has been rolled and sliced after the Legacy Chase and prior to HIST. Irrigation has continued.

**Assembly, Stable Departure, and Post Procedure:**

- In an effort to make this as efficient as possible, those horses entered in Hurdle School will leave the assembly area at 11:50 pm as posted and proceed to head of the backstretch. The Hurdle School horses will leave the course no later than 12:45.
- After which, those horses entered in the First Trial will leave the assembly area at 12:50 pm as posted and proceed to the stewards stand and then the start. Immediately following, those entered in the next heat will circle in the assembly area tacked up and ready to go. Upon completion of the first heat, those horses will be ridden back to the assembly area and dismounted. Horses for the second heat will immediately depart the assembly area and follow the procedure used in the first heat. The third and fourth heats will be run similarly.
- Given the fact that there are no scales and the desire to run on time, all are asked to bring the necessary tack to allow jockeys to run in back to back heats w/out delays.

- We will do our best to adhere to our HIST schedule.
