In interest of running the races in a safe and timely fashion, the Shawan Downs Race Committee along with the Stewards **will** allow horses to be saddled in the barn, after the jockey has weighed in. All Horses must be saddled prior to arriving to the Paddock, and any horse deemed late to the paddock by the Paddock Judge may be scratched and fined. ALL Ponies & Horses are expected to depart the Paddock for the Start at the same time. Stable and Paddock departure schedule will be posted.

If 10 or more timber horses and 12 or more flat horses check in on race day for any particular race, that race will be split as drawn by the stewards. The divisions will run 1/2 hour apart and all subsequent races will run accordingly. I.e. 1/2 hour later.
